Christmas Holidays Begin

Because of the uncertainty of the times it will be impossible to announce until the fall of 1943 the dates for the remainder of the school year. In all likelihood the Christmas vacation will be a month long, and the usual spring vacation will be omitted.

## PRINCIPAL'S GREETING

For those of you who are coming to Abbot for the first time and for the the "old girls", as well, the year ahead holds many new and interesting experiences.

There will be new surroundings, new friends, new studies, new teachers, and new demands upon you as a student and as a person. Yet, while all of these things will be new for you, it is interesting to realize that Abbot itself is far from new. It has seen generations of girls come and go for a hundred and fifteen years, and while it is reborn, or rejuvenated, each fall with the new tide that the opening of school brings, still Abbot has lived long and is very wise. Beneath its lovely old trees, or sitting in the quiet Chapel, one feels very much a part of all that has gone before, and very secure, for this beauty and the strength of the past unconsciously work their spell, and give one confident hopes and far-reaching dreams.

So as you enter upon this new life you may well have great expectations, but in order to realize them you must take full advantage of this new beginning. If in yourself there are characteristics or habits that you know should be changed, here is your chance, with the support of all this new world about you. But also consider thoughtfully all that you wish to conserve, and build well upon your own past. "Hold fast to that which is good" and determine not to be swayed by superficial group pressure into the loss of what is the best you.

If you enjoy study, good books, beautiful music, occasional solitude, do not be lead into the denial or neglect of those values. Rather defend them in yourself and in time you will find an increasing number of friends who will share these interests with you.

I would suggest, then, that you meet all that is new at Abbot with the resolve to be yourself a new person, in many ways, to write here a fresh unblotted page in the book of your life; but resolve also to bring with you to meet the age and the wisdom of Abbot an appreciation of your own inheritance, and a loyalty to all that you, at your best moments, have imagined for yourself.

I welcome you, then, to our little world of Abbot, secluded, peaceful, beautiful, and yet in many ways a miniature of the community in which eventually you will live most of your lives. You will find hard work and good play, joys and sorrows, defeats and victories. You will find conditions for the practice of democracy; you will learn to some extent, at least, the uses of authority and independence, of restraint and freedom. Though you may seem rather far removed from the war and the other problems of the outside world, you can be assured that in pursuing your education here in the best possible way, in contributing to the smooth running of the school, and in becoming a strong, capable, and responsible individual, you will be doing your part with quiet distinction.

Abbot awaits you with open gates and an open heart.

MARGUERITE HEARSEY

## The Student Association

Every girl who is enrolled at Abbot becomes automatically a member of the Student Association. The purpose of this Association is "to promote real interest in the school and to develop, in each member, increased responsibility for its welfare."

The *Executive Board* of the Association consists of the officers of the Association; and the presidents of the Senior Class, of the Christian Association, and of the Athletic Association. *The Student Council* consists of the members of the *Executive Board*; the vice-presidents of the Senior Class, of the Christian Association; and the president of each organized class below the Senior Class. All of these officers are elected by popular vote so that the Council and Executive Board are thoroughly representative.

The Student Association co-operates with the faculty in the maintaining of order, in obtaining support of all school regulations and in developing the capacity for self-government.

## The Day's Activities

### CHAPEL

A short religious service is held every weekday morning in Abbot Hall. Every member of the school is present.

### CLASSES

Classes in all of the major subjects come in the morning except for History of Art. Some classes in minor subjects, which meet only once a week, come in the afternoon periods. The Choral Society and Fidelio also meet in the afternoon. Fidelio is a group of about fifty seniors and senior-middlers who have the best voices. The rest of the school make up the Choral Class. The Choir, consisting of sixteen voices, has more intensive training and sings at the Sunday evening vesper service and on special occasions during the year.

### MEALS AND TIFFIN

Tables in the dining-room seat eight or nine, including one or two members of the faculty. Table seating is changed every few weeks, and girls of various classes are mixed so that acquaintance may be steadily enlarged. At various times during the year girls studying French or Spanish are placed at tables at which these languages are spoken. No absence from meals is permitted without an infirmity excuse. Tiffin is the mid-morning lunch, consisting of soup, cocoa, milk, or fruit juice, and crackers. This light meal, with the

fifteen minute recess, re-establishes energy for the remainder of the morning.

#### SCHOOL OR ORGANIZATION MEETINGS

The Student Association, the Abbot Christian Association, the Athletic Association, and class organizations include all the students of the school. All members are expected to attend and participate in the meetings and activities of these organizations, both for the successful running of the school and for the personal values and training to be obtained.

There are five classes in the school—the Preparatory, or first year class; the Junior, or second year class; the Junior-Middle, or third year class; the Senior-Middle, or fourth year class; the Senior, or fifth year class. The majority of the school complete the course in four years, omitting the Junior-Middle class, but the extra year is often found advisable. A girl is classified according to the probable time it will take her to graduate, and is allowed to take in each subject the course for which she is prepared.

#### SPORTS AND RECREATION

Every girl (unless excused by a physician) participates in organized exercise five days a week and takes at least an hour's exercise on the days on which she has no scheduled class. Some choice is allowed in each of the three seasons. The major sports are field hockey,

tennis, golf\*, riding, baseball, basket-ball, and modern dancing. Minor sports include badminton, ping-pong, croquet, and archery. In the winter, skiing or skating may be substituted when the weather permits, for the major sport.

Posture photographs are taken at the opening and closing of the school year, and constant interest in improving posture is encouraged. Corrective gymnastic work is prescribed when it is needed.

Girls may go downtown two afternoons a week in recreation time.

### STUDY HOURS

Seniors are allowed to study in their own rooms. The study hall in the McKeen Building is used during the morning and afternoon study hours for all other classes, but after the first six weeks of the school year the privilege of studying in one's own room may be earned by attaining the High Beta or Alpha Rating. (Please see page 17.) In the evening study hour, all girls study in their own rooms.

### FRIDAY EVENINGS

Friday evenings are used for various social activities. "Corridor" meetings are held (informal gatherings in the rooms of the resident teachers, who act as advisers, for games, radio programs, or discussions of school matters); and the weekly calling hour for friends from

*\* Not offered during the war.*

Phillips Academy, or boys from other nearby schools is provided. Girls of the two upper classes may be introduced by the faculty hostess at the calling hour to boys who are known to other girls in the school, if the girls' parents are willing. Younger girls usually are permitted to receive only boys known to their parents.

### SATURDAYS

On Saturdays all girls are free after the morning study period for the rest of the day. They may go downtown in the morning between 10:45 and 12:15; in the afternoon they may go to the local moving picture theatre when there is a program of which the school approves. Some members of the faculty are also present at these times.

Trips are often planned for Saturday. These may be picnic walks or ski trips, canoe trips on the Shawsheen River, horseback rides, sleigh rides, or bus trips to points of historical interest or into Boston for plays, concerts, or other attractions\*. Girls are advised to save from their allowances for these special occasions. All such trips are chaperoned by members of the faculty except the picnic walks which are often in charge of student leaders.

With permission, girls may accept invitations for

*\* Because of the war, these trips are necessarily restricted for the present. The use of the train for trips to Boston is substituted whenever possible.*

luncheon or dinner at homes of day students in the vicinity.

In the evening various interesting programs are presented in the school—concerts, plays, or lectures—and the whole school attends these entertainments.

## SUNDAYS

All resident pupils attend church on Sunday morning unless formally excused by the school nurse. Girls may attend either the Congregational or the Episcopal Church, but having selected the church, after the first two Sundays of the school year they continue with the church of their choice.

Occasionally, girls who are Unitarians have an opportunity to attend the service at the Unitarian Church in North Andover.

During the Sunday afternoon Quiet Hour those who wish to do so may go out for recreation—walking, horse-back riding, tennis, skiing, or skating. Those who remain in the building are expected to stay in their rooms so that quiet may be assured for all who wish it. Opportunity for listening to the broadcast concerts of the New York Philharmonic Orchestra is given.

The evening service in Abbot Hall is attended by the whole school. The speakers are distinguished out-of-town ministers, and the Abbot Choir provides special music.

## Leaves From School

Each girl, individually, registers at the office when she takes a Dining-out permission, a Saturday Leave, or a Week-end, and again immediately upon her return, before she goes to her room.

### SATURDAY LEAVES

Permission for Saturday Leaves are obtained from the office during regular office hours several days in advance.

On two Saturdays in the fall term, and the winter term, and one in the spring term, girls may be away from the school with their families or adult friends of their families from 11:00 a. m. until 6 p. m. They may go by car, or to Boston by train. They are chaperoned on the train and are met at the station by the adult with whom they will spend the day.

After mid-years seniors may go to Boston unchaperoned if accompanied by at least one other senior and may take a Saturday Leave with an older sister who has finished preparatory school. (Because of conditions arising from the war this permission may have to be modified this year.)

### SUNDAY LEAVES

Twice each term on Sunday a girl may receive permission to have dinner (*in or near Andover*) with her parents or adult friends of her family who have come from a distance, leaving after church and returning not

later than 4:00 p.m. She may invite a friend or two to go with her. Unless the circumstances are unusual, permission will not be given for taking the evening meal out on Sunday.

*Seniors* may accept invitations to dinner in private homes in the vicinity, observing the above hours. Driving in a car is not included in this permission except to and from the destination with an approved chaperon.

The total number of Sunday dining-out permissions is limited for all students to two in the fall and in the winter terms and one in the spring term.

#### WEEK-ENDS

Each girl may take one week-end away from school before the Christmas holidays (the fall term), one between the mid-year examinations and spring vacation (the winter term), and one between spring vacation and Commencement (the spring term). Of these week-ends two may begin Saturday morning after breakfast and one, "the long week-end," may begin after luncheon on Friday. The long week-end is taken during the fall or winter term.

Plans for a week-end are made through the office not later than Wednesday of the week *preceding* the week in which the leave is desired and written permission from home must be obtained, as well as the approval of the student's teachers.

All week-end leaves end at 7:00 p. m. Sunday. The

5:10 train from Boston is the latest that can be taken to reach Andover before 7:00. In case of an *actual emergency* which will cause a later return, the school must be notified at once by telephone.

Girls taking leaves of any kind at homes in Andover, North Andover, and vicinity must observe the same regulations about chaperonage, smoking, and driving in automobiles as govern them while in residence at the school.

No week-end leave will be granted immediately before and after vacations (including the week-end following Thanksgiving Day), immediately preceding mid-year and final examinations, and the week-end of Abbot's birthday (May 6). During these week-ends a reasonable amount of time away from school will be allowed students whose families are in town.

On several Saturday nights during the year no important program will be scheduled. So far as possible week-end leaves should correspond with these dates. Announcement of the dates will be made early in each term.

Girls whose parents are in Andover for a week-end and who wish to be with them for most of their meals and free time, must usually count this as one of their three week-ends whether or not Saturday night is spent at the school.

Invitations to a dance at a boys' preparatory school may be accepted with the usual permission from home, provided the chaperonage conditions are satisfactory.

A girl may have special leave of absence to attend the wedding of a member of her immediate family, or of a friend (if she is in the wedding party) if her work is satisfactory.

It is requested, because of war-time train conditions, that parents and students co-operate with the school in limiting travel for weekend trips as strictly as possible, even though this may prevent the use of the full number of leaves. Week-ends at the school provide opportunity for relaxation and rest and usually some interesting program is presented on Saturday night.

It may even be found necessary to revise all regulations in regard to leaves, but since conditions are so unpredictable no drastic changes in the usual practice are announced at this time.

## **Day Scholars**

During the school day, non-resident girls are expected to observe the same regulations as those observed by girls in residence.

During study hours all day scholars except seniors must report to the study-hall.

Day scholars may visit in the rooms of resident girls only during day time recreation periods, and on Friday

and Saturday evenings with permission from the office.

A special room is provided for the use of day scholars. Girls remaining at the school through the afternoon may use the room from 2:00-4:40 for rest or study. Senior day scholars may use the room also during study periods.

## **Senior Privileges**

Seniors have the privilege of studying in their own rooms during all study hours.

Seniors may use the Senior Room at all times except during quiet hours.

With permission seniors may accept invitations to Sunday dinner in Andover or in the vicinity, leaving after church and returning by 4:00 p. m.

Coffee is served in the Senior Room after dinner on the first Sunday in the month.

High Beta and Alpha seniors may have an extension of a regular Saturday leave (9:00 a. m. — 7:00 p. m. instead of 11:00 a. m. — 6:00 p. m.)

During the second semester the hour for "Lights Out" for seniors is 10:15 p. m. from Monday through Thursday.

## **The Group Rating System**

Several times a year each girl in school is rated by a committee of faculty and students on the basis of her

attitude and effort in school work, and her citizenship, which includes her co-operation, school spirit, personal neatness, punctuality, room order, and thoughtfulness of others. The committee is guided in its decisions by the ratings given by each girl's classroom teachers and her corridor teacher.

The ratings are as follows:

Beta—Average standing resulting from normal effort to be co-operative.

High Beta—Superior standing resulting from extra effort to be co-operative.

Alpha—Honor standing resulting from exceptional co-operation and thoughtfulness.

Gamma—Unsatisfactory standing resulting from failure to accept school standards.

Girls who receive the Beta rating may, during the following period, have the ordinary privileges of the school as outlined in this booklet.

Girls who are in the High Beta group may study in their rooms during the morning and afternoon study hours, and take one Sunday sleep-over, which must be asked for by 6:00 p. m. on Saturday. High Beta girls living in dormitories other than Draper Hall are requested, in order to save time, and because these houses are closed at times during the morning, to use the library

or the study hall in morning periods rather than returning to these houses.

Girls who are in the Alpha group may receive, with special permission of the Principal, the granting of some unusual privilege of their own choice, in addition to the High Beta privileges.

The cases of any girls who receive the Gamma rating are dealt with individually by the committee.

## **Information Of Special Interest To Parents**

It is assumed that girls enrolled at Abbot are under the jurisdiction of the school at all times except during vacations, and over-night leaves.

It is assumed also that in placing daughters in the school, parents not only will familiarize themselves with the contents of this booklet, but will co-operate sympathetically with the school in obtaining adherence to the spirit as well as to the letter of the regulations.

### **DRESS REGULATIONS**

The dress of students should at all times be simple and appropriate. Only clothing actually needed should be brought to school. Shopping for clothing cannot be arranged for during the school session. Elaborate and valuable jewelry should not be brought to the school.

The following articles of dress are definitely required:

- 1 white uniform tailored dress.

- 1 white slip to be worn only with the uniform white dress.

(This dress and slip must be purchased from Best and Company through anyone of their stores. Mail orders should be addressed to Miss Frances Hjelt, Best and Company, Fifth Avenue and Thirty-Fifth Street, New York City. The price of the dress is \$8.95 and that of the slip \$1.95. No substitute is permitted for this uniform dress and slip.)

- 2 or 3 silk or light wool dresses for dinner.

- 1 long *dinner* dress for formal occasions. *Backless*, *strapless*, or *halter* evening dresses are not permitted at any time.

Extreme styles in evening dresses, even for the Senior Promenade dance, are not allowed. The dress and slippers to be worn for this occasion must be approved immediately after spring vacation.

Although long dresses are worn only rarely, one should always be on hand for an occasion when formal dress may be requested. (Not required for girls in the first and second year classes.)

Tailored dress or suit and hat for town and church wear.

Tailored hat—"felt classic"—for more informal wear.

A warm tailored top coat.

- 2 pairs low-heeled sport shoes for school wear  
("Scuffies", sandals, mocassins and similar shoes  
are not acceptable.)
- 1 warm bathrobe.
- 1 pair of bedroom slippers (not mules).
- 1 raincoat.
- 1 pair overshoes.
- 1 umbrella.
- 1 pair of white and blue, or white and brown, or  
white and black or all white pumps with moderate-  
ly high heels.
- 1 pair of dark street shoes with moderately high  
"spectator" heels. (*Not open-toed.*)  
(Other shoes provided for whatever purpose  
should not have heels of extreme height.)
- 1 pair of *rubbers which are fitted to wear over street  
shoes.*

Uniform gymnasium outfit, which includes shoes for  
tennis and other sports, to be purchased from  
Wright & Ditson on blanks provided for the  
purpose.

Stockings (several pairs.)

Every girl should be provided with woolen stockings  
and heavy sweaters as the winter weather provides  
opportunity for the use of skates and skis.

For those who wear glasses an extra pair should be pro-  
vided.

## DRESS CUSTOMS

Simple sports clothes are worn during the day. Socks are permitted, except in very cold weather, for day time wear. (Stockings are worn for dinner and at other times when more conventional dress is suitable.) The only shorts allowed at any time are the uniform Abbot playsuits. These must be worn for specified sports. Hats are always worn except on the grounds, and scarfs or hats on the campus when it is raining or when the temperature is below 20°.

All girls dress for dinner before the beginning of the afternoon study hour. Sweaters or blazers, and informal shoes are not to be worn to dinner. Tailored silk or wool dresses are customary.

The uniform white dress is worn by all girls for the special seasonal services and for Commencement and at several other times during the year.

Fur coats may not be worn except on Sunday or for extremely cold weather.

## COSMETICS

Nail polish of natural color only is allowed. Special permission to wear a moderate amount of lipstick is given on certain occasions. Otherwise the use of nail polish and lipstick is not permitted while girls are under the jurisdiction of the school.

## ROOM FURNISHINGS

Each girl is provided with a single bed, a bureau, straight chairs, a desk, and a bookcase. There are hard-wood floors in all of the rooms. Rugs, curtains, bedspreads, lamps, and usually a boudoir or another comfortable chair are provided by the students. Plain cream-colored window curtains of scrim, hemstitched, should be used next the window for the sake of uniformity, but over-draperies may be of any color. Girls who room in Abbey House and Sherman Cottage do not need glass curtains, as all windows have Venetian blinds. Roommates should correspond during the summer about necessary purchases for the room.

The school supplies one pair of woolen blankets for each bed, but a warm puff or an extra pair of blankets should be brought by each girl. Sheets to fit a mattress 6 feet by 3 feet, pillow-cases, 20 inches by 32 inches, bath towels, face towels, table napkins, (eight recommended) napkin ring, a shoe bag, a waste paper basket, and two laundry bags must be provided.

Room decorations should be few and simple.

No electrical appliances are permitted except lamps. Fluorescent lamps, if desired, should not be bought until after school opens and the superintendent of buildings has been consulted, for the direct current is used

in some rooms and these lamps are not interchangeable for use with the direct and the alternating current as most lamps are.

Victrolas and radios are not permitted.

All girls make their own beds and take care of their own rooms. Beds are made and rooms put in good order before Chapel each morning. Students also assist in the dining-room service.

#### LAUNDRY

The school has its own laundry, well equipped and carefully managed. No chemicals are used for bleaching. The laundering of bed-linen, towels, napkins, and a specified amount of personal apparel is included in the price of tuition. Additional pieces will be charged for at reasonable rates.

*All articles of clothing as well as sheets, pillow-cases, towels, napkins, bedspreads, rugs, and so far as possible other personal articles should be marked with the owner's name. Articles sent to the laundry unmarked will have to be returned unlaundered.*

#### INFIRMARY

Every morning the nurse holds a short clinic in the infirmary where minor ailments are treated.

By steady use of preventive measures and by immediate attention to all indispositions the school maintains an excellent health record.

## Food

The table is very well supplied, and in the middle of the morning milk or soup and crackers are served. Other eating between meals interferes with the appetite of the girls at the table. It is, therefore, urgently requested that no food other than fruit and cookies be sent by parents and friends. The only exception to this rule is for birthdays. Please instruct your daughter as to the dangers of unwise dieting so that she does not abstain from the wholesome food she needs, nor over-indulge in ways that will harm her.

## SPENDING MONEY

A deposit for spending money should be placed in the school bank at the beginning of the school year. The first deposit should be fifty dollars, and must be renewed when exhausted. The weekly allowance for withdrawal for girls below the senior-middle class should be not *more* than \$1.00; for senior-middlers and seniors \$1.50. Each girl is furnished with a school bankbook and checkbook. When the deposit is exhausted checks will not be honored. It is expected that a balance of at least five dollars will be left in the bank to each girl's credit over short vacations. Each girl is expected to keep her own account and to plan her expenditures so as to live within her allowance. All money for the personal use of students should be forwarded to the

financial secretary who will deposit the money to the girl's account.

*Parents are especially requested not to send any money directly to their daughters, since in that case no check can be kept on expenditures, and the effort to maintain equality and moderation of spending is destroyed. For a number of purposes school-bank checks may be drawn, in addition to the regular weekly allowance check. These purposes include special concerts (aside from the Boston Symphony Orchestra Concerts, which are charged on the term bill) plays, and other entertainments in Boston or in Andover, money for week-end and Saturday leaves, and for class dues and dues for other school organizations. The permissible charges to term bills, and permissible draughts from the school bank reduce necessary weekly cash spending to an extremely limited range.*

## PHYSICAL EXAMINATIONS

A physical examination must be given each entering student by the family physician and the report returned to the school on the blank provided for this purpose. Vaccination and the Schick test are required. The medical blanks should be mailed to the school before the opening of school and as soon as can be conveniently done after they have been received.

## TERM BILLS

Term bills are rendered three times a year. The following items may be charged on these bills:

Books and stationery

Symphony Concerts

Excess laundry

Tutoring and Chaperonage (There is no charge for chaperonage except for actual expenses incurred.)

Equipment for sports such as skis, hockey sticks, and uniforms for Modern Dancing.

## CHARGE ACCOUNTS

Charge accounts in local stores or in Boston are not permitted unless by written permission of the parents.

## AUTOMOBILES

Permission for driving under any circumstances must always be obtained from the office, including travel from the school for any leave, and returning to the school from any leave. No driving permissions are granted on Sundays except in connection with a dining out permission.

Permission will not be given for resident students to drive with day students nor with anyone else of school or college age without an older person in the car.

*Exception:* Upon the written request of her parents a girl may receive permission to drive to and from the school with her brother or sister for week-ends or vacations.

If a student is planning to leave the school for a Saturday Leave or a Week-end with adult friends in an automobile, specific and definite approval from home must be received beforehand by the school.

Final approval of chaperonage plans must rest with the school.

#### SMOKING

Smoking is not permitted at any time nor in any place while girls are under the jurisdiction of the school, *nor even when accompanied by their parents in any public place in Andover.* Violation of this rule makes the offender liable to suspension.

#### CORRESPONDENCE

Students have little time to spare for letter writing. Correspondence other than with members of the family should be limited. Please assist your daughter to regulate this matter.

#### PERMISSIONS

Parents should send to the Principal lists of boys whom they are willing to have their daughters receive as callers. Girls in the senior and senior-middle classes may have "open" calling lists if parents so specify in their permission. An "open" list authorizes a girl to receive at the Friday evening calling hour any boy of whom the school approves.

Written permissions for the following activities are required. They should be filed at the opening of school.

Horseback riding (Cost, twelve rides for \$21.00).  
Private lessons in piano, organ, voice, or art. (For cost see catalogue).

Written permission is required for new girls to visit, for the first time, friends whom they have made at or through the school. Thereafter permission to visit such friends for a Saturday leave is granted by the school. Written permission for each week-end taken away from the school is required, and parents are requested to send such permission as far in advance as possible.

#### HOLIDAYS AND VACATIONS

The times allowed for holidays and vacations should be carefully noted and exactly observed. Parents are urged to make no requests for exceptions to the hours and days designated.

The Thanksgiving holiday is from 9 a.m. to 8 p.m. Thanksgiving Day. The traditional service is held at 8:15 Wednesday evening, and parents and friends are cordially invited to attend. Girls may go to Thanksgiving dinner with their families or with friends of the family, if permission is sent from home. For those leaving Andover the destination must be within practical limits.

Girls cannot be accommodated at the school before the dates announced for the opening after each vacation, nor can they be kept at the school later than the day announced for the closing. (Please consult

the calendar in the front of this booklet for these dates.)

## TRAVEL

All tickets for travel from the school will be bought by the school office, if desired. As reservations for so large a group must be made weeks in advance, a form will be mailed to parents sometime before vacations begin for the purpose of determining travel plans.

At Christmas and Spring vacations girls travel in special cars with a school chaperon to and from New York City. Other groups travel together en route to Chicago and other western points. If parents wish to have their daughters met on their arrival in Boston the school should be notified in advance as to time of arrival and station.

Saturday is the preferred calling day for families and friends, particularly for families and friends of students who live nearby. Guests may call on Saturdays between 11 a. m. and 8 p. m. This does not include boys of school and college age unless they are from some distance and cannot call during a regular Friday night calling hour.

Parents from a distance who are in town for only a short time may take their daughters and a friend or two out for luncheon or dinner on school days, provided no school appointment is interfered with. These times
